The DD Camping Hammock is DD's original hammock - It is enjoyed the world over by beginners and seasoned hammock campers alike!

Strong and lightweight, the DD Camping Hammock suits a range of uses from leisure to wild camping. It also benefits from two zip-open layers – for you to put Inflatable Mat between for added insulation.

Whether you're planning to lounge under the sun in your garden or spend a night amongst the trees in the wild, you can rely on the Camping Hammock for optimum comfort and durability. You have the option to use it alone, add rain protection with a DD Tarp, and attach a DD Underblanket using the 4 tabs on the sides for extra warmth in the colder months.
